Guidelines for Practice in Corporate Form of Practice (261st meeting)

As per the existing Code of Ethics, a member in practice is permitted generally to be a 'Director Simplificator' in any company and as such he is not required to obtain any specific permission in this regard irrespective of whether he and/or his relatives hold substantial interest in that company. However, a member in practice shall not hold the position of Managing Director or Whole-time Director of a Body Corporate if he and/or his relatives hold substantial interest in such concern. In the alternative, a member in practice can occupy such positions by surrendering his Certificate of Practice (CoP). Where substantial interest is not so held, a member in practice can hold these positions only after obtaining specific and prior approval of the Council in which case the member will be regarded as being in part-time practice and therefore, can neither do attest function nor he can train articulated/audit assistants.

To empower the members to face the emerging challenges in the service sector as well as to equip them for the opportunities in the non-audit service area, the Council at its 261st meeting held from 1st to 3rd August, 2006 reviewed the aforesaid position and in the interest of the profession, decided to allow members in practice to render Management Consultancy and Other Services in Corporate form, subject to the guidelines to be issued by the Institute in this regard.

The Council decided to allow members in practice to hold the office of Managing Director, Whole-time Director or Manager of a body corporate within the meaning of the Companies Act, 1956 provided that the body corporate is engaged exclusively in rendering Management Consultancy and Other Services permitted by the Council in pursuant to Section 2(2)(iv) of the Chartered Accountants Act, 1949 and complies with the conditions(s) as specified by the Council from time to time in this regard.

The members can retain full time Certificate of Practice besides being the Managing Director, Whole-time Director or Manager of such Management Consultancy Company. There will be no restriction on the quantum of the equity holding of the members, either individually and/

or along with the relatives, in such Company. Such members shall be regarded as being in full-time practice and therefore can continue to do attest function either in individual capacity or in Proprietorship/Partnership firm in which capacity they practice and wherein they are also entitled to train articulated/audit assistants.

The name of the Management Consultancy Company is required to be approved by the Institute and such Company has to be registered with the Institute. The guidelines alongwith the prescribed application forms for approval of name and registration, provisions of ethical compliance and other details have been issued and the same will come into force w.e.f 1.10.2006.

By abundant caution, it may be clarified that no audit practice can be done in Corporate Form. The consultancy practice hitherto done in Individual or Firm Status alone is now intended to be permitted in Corporate Form also.

The guidelines for Corporate Form of Practice are as follows:
